

MARINE CEO

570

Product Description:

MARINE CEO 570 is an extra high performance Marine Cylinder Lubricant (MCL) designed for the latest generation technology of low speed crosshead diesel engines operating on wide range of residual fuels having sulphur content in excess of 1.0%

Feed rates recommended by the manufacturer should be maintained as a minimum. Higher feed rates may be required when running new liners and/or rings.

MARINE CEO 570 is based on high quality virgin mineral base oils in combination with an unique additive package to ensure the following properties:

- Good acid neutralising capability.
- Superior detergency minimises deposits on critical parts such as pistons, piston rings, ring grooves and cylinder ports.
- Good antiwear properties minimizes piston ring & cylinder wear leading to reduced maintenance costs.
- Good compatibility with all normal seal materials.
